My Practice pays me out of the fees and commissions it receives from RI Advice Group, by one or more of the methods outlined below.

- **Salary** – I may be paid a salary based on my experience and capability.

At the time of providing advice, we will disclose the amounts that RI Advice Group, the Practice and I receive (if any) as a result of that advice.

Client fee and payment options

Before providing advice, we will agree the fees and payment options with you. The fee you pay will depend on the complexity of your circumstances and the services you require.

Our payment options may include a fee for service, commissions, or a combination of both.

Fee for service: Fee for service is based on the service we provide. This fee can be determined by:

- An hourly rate.
- A fixed dollar amount.
- A percentage of funds invested (excluding borrowed funds).
- A combination of these methods.

We can invoice you directly for our fee for service. Alternatively, some products allow an adviser service fee to be deducted from the investment balance.

Commissions: Some product providers pay commissions to RI Advice Group. The amount of commissions received will depend upon the type of product and the amount invested or premium paid.

If we receive commissions as a result of recommending a product to you, we may reduce our fee for service.

In the event that we reduce our fee for service in this manner and you decide not to proceed with our recommendations, or if your insurance policies are cancelled within the first 2 years of acceptance (in which case the insurer claims back all or some of the commission paid to us), we may invoice you directly for the cost of our service.
